Dear Tom

Jack Kettler had ask me to respond to this for him(E010122). BMX had his property leased and conducted some exploration under a separate notice. The Jack Kettler Notice should be closed out. I know of no disturbance created by Jack Kettler. The Work that BMX ad done has also been long since reclaimed. SO both notices should be closed out.

With respect to Notice S010051 Blawn Mountain, this notice was closed out by the BLM, I believe 18 months ago. With respect to S010054 JB Mine. No work has been done under this notice since shortly after its opening and all disturbance has been reclaimed. Please see that all the above notices are closed. Should you have any questions, please feel free to call me at 435 387 5053.

Sincerely

Mark Dotson
